Pirate Ship Adventure!

It's the 18th century. In the port of Montréal two ships are anchored: the Royal ship and a Pirate's ship. Both ships are more than 100 feet long. The Pirate's ship is 3 stories high, flies three sail, and it has an impressive climbing wall. MAJESTIC!

It's time to board! Which boarding party will you join? Who do you stand for? The King? The fierce pirates? CHARGE!

You can hang onto one of the 10 aerial adventure courses, ranging from 1m to 10 m high, climb the Pirate's Ship wall or enjoy the inflatable playground. Kids of all ages will enjoy [Voiles en Voiles!](#)

Pointe à Caillière Museum

You are invited to become a witness to time, to the history uncovered at the archeological and historic site of [Pointe-à-Caillière](#), right here, where Montreal was founded.

Travel through time, from the ice age to today. The journey will take you through more than 1000 years of human activity through the
