

2022 Resolution #1

WHEREAS, over the course of this growing season it has become apparent that some canola hybrids lacked vigorous performance;

WHEREAS transparency is fundamental in upholding the value of Certified Seed;

WHEREAS seed vigor testing is not yet standardized in Canada;

THEREFORE, be it resolved that the CSGA work in part with Seeds Canada and other seed industry partners to expedite the process to make seed vigor testing standardized across Canada.

And therefore, be it further resolved that a minimum standard for vigor be developed for major crop kinds.
